COMPLAINT

- I. State the grounds for filing this case in Federal Court (include federal statutes and/or U.S. Constitution provisions, if you know them. Fed. R. Civ. P. 8(a)(1) requires a short and plain statement of the grounds for the court's jurisdiction.):

My rights to be free from wrongful arrest + imprisonment

a citation of summons to answer to
allegations of "trespassing" rather
than being arrested, then forced to sign

my accusers, gathering witnesses, and being
illegally charged with a higher charge of "disorderly
conduct" by police and correction officers

Complaint I, cont'd.

Not only should I be free from "highway robbery" or mugging by assault through wrongful arrest and incarceration to sue any hearing, I also have the right to not be abused by civilians and law enforcement practicing law without a license, when they act as the magistrate and or county attorney making orders in the name of such.

I also should not be impeded and/or tampered with as an ongoing stalking (a form of continued) and domestic violence victim, being kept from pressing charges, reporting, and witnessing to the attorney general of those crimes upon me in Kansas, perpetrated by others within and from without my state of Kansas to hurt me and my son, who is now missing and I'm unable to receive his mail, which I worry has been sent back to him to drive him suicidal or extremely depressed as he's tried to find me while I can only give him my safe address because his/our abuser tracks him

IV. Statement of Claim

1. I was drinking my coffees that I paid for, in Starbucks, on ~~Sunday~~ April 8, 2023. Some Doe #1, an employee with a name tag (which I did not read) and no title (as managers of Alex Johnson have), and not in a security uniform of Alex Johnson (AS) or Starbucks, came to me, where I was sitting secluded at a corner table alone, and claimed that I had "yelled" at "my employee". She told me ^{that} I had to go, or she'd call "dispatch." She, like other John Does of Starbucks &/or Alex Johnson I should be able to find their identities, given freely to me by AS/Starbucks without impediment, as they supposedly charged or called police to press charges on me on behalf of Alex Johnson and/or Starbucks, apparently for drinking the coffees and their ^{for} ~~results~~ all of which I paid.

IV. Statement of Claim, cont'd.

2. A few days prior, possibly the week before, but I'm more certain that it is definitely earlier the week of April 3, 2023, a young man in a security uniform, ^{Sohn #2} for Alex Sohnson came to me in Starbucks as soon as I had (almost simultaneously, as though he had been watching me from security video?) just swallowed my last sip of coffee — which I normally, as a regular customer, refill, at full price and full refill price respectively — and told me that I could only stay 1/2 hour, after finishing my drink. I reminded him that I and others stay and chat and read taking their time for refills or new orders. He then asked me if I could use his transportation company since I seemed to have no transportation. When I made a point that I did not ask him for any transportation, he said that offering transportation to people without, I ~~to understand~~ demanded what his company's name was and he said, "Radion." I pointed out, after demanding who his employer is which he confirmed to be R/S, that he should not be "selling" ~~his~~ (advertising) his company

IV. Statement of Claim, cont'd.

as an employee ~~of~~ Alex Johnson.
 (He was actually ~~abuse~~ his security
~~positioned~~ abusing

position to kick me out and if I
 did not let him drive me as trans-
 port for his own profit and
 extortion and kidnapping). He
 was doing this against the General
 Managers (of Alex Johnson) desire
 that the particular manager
 I spoke to a few months prior
 that people, including their
 valets not moonlight for me or
 other individuals as transportation.
 He said he was going to tell
 the General Manager on me, so
 I followed him and said I'd
 speak with them. He did not go
 to Alex Johnson, but rather to the
 barista John Doe #1, complaining
 about me, in his Security
 position. I told John Doe #1
 the conversation that just took
 place concerning his transportation
 company and I added in defense
 of Alex Johnson (AJ) and
 their General Manager(s), that
 "I love Starbucks, And I love your
 General Manager." I continued to
 visit and have coffee daily till April 8, 2023,
 as usual, as a regular customer,

IV pg 4 of 54

IV. Statement of Claim, Cont'd.

which AS management often times has/lets me wait in the lobby for Starbucks to open.

I am, a Christian, and I "love" my neighbor, not as a romantic or erotic but a godly, fervent love of neighbor, fellow human, and fellow American, etc. I will in no way disrespect and dishonor AS's policies of their employees, and particularly, the valets, acting as transportation, or otherwise moonlighting for me in exchange of not harassing me from patronizing their Starbucks or other businesses of AS's.

3. On April 8, 2023, Same Doe #1 as described in Paragraph 1, demanded I leave, but continued to drink to finish my coffee, and trying to stay calm, as I assumed she was delusional and extortional as this young man ^(John Doe #1) also of the Native American community that have been harassing & trying to kidnap me, as she mentioned that he had "kissed" me (a paper I did not receive from him a few days in between, as I know that he was acting illegally.)

IV pg 3 of 21

IV. Statement of Claim, cont'd.

(Apparently, some members of the community seem to think that they can dictate who gets allowed to be customers by "trespassing" them, according to rules of shelters and day centers, not according to laws, or orders of employer/hotel/restaurant/coffee house management — as no manager ever approached me and told me I could not be a customer of Starbucks or other of AS's adjacent businesses).

Sam Doe #1 and John Doe #2 are only interested in defaming, slandering, harassing, and retaliating against me for being a regular paying customer while shelterless and do not desire my ever having a good reputation to obtain help to gain lawful housing through my previous KS HUD Voucher (Sect. 8) or SD if necessary. (See later Paragraphs to explain this problem.) This seems secondary to their kidnapping me, with Native American figuration companies or individuals. See Paragraph 5.

IV pg 6 of 20

IV. Statement of Claim, cont'd.

4. While trying to remain calm, and continuing my being a customer, not trespassing, I attempted to refill the first coffee (I had 2 coffees that morning) or have cold water (for stress) - I can't remember which (I suffer from severe PTSD, which was obviously being exacerbated). The barista, again John Doe #1, said his general manager instructed him not to serve me. But only John Doe #1 had spoken to him and me, who clearly is not a (general or other) manager.
5. On the streets, these people's "relatives" (Native Americans), including people in Surney On (represented by a Caucasian, Priscilla Roach who has stalked, threatened, woke me up, & promised continued "checks" after I've told her 3 separate times to "cease and desist") have tried to get me in their vehicles, evaluate, &/or send me to "Safe Bed," have then verbally abused me w/excessive, public yelling (3 other, different individuals, 2 Native Americans, and one either middle-eastern or Native American), "F--- you, B---!", "B---!", and "B---, I'm just trying

to help! "Please see later (Paragraph 17, incl'd.) paragraphs explaining my being made shelterless, on the streets (I've never been on the streets for more than one month in my entire life ~~from~~ until now, from ongoing interstate stalking and violence). These Native Americans - 2 males, and 1 female punched me in the face (thank Sully, due to their apparent expertise in punching to leave no bruise, like my initial abuser (other places than my face) on April 20, 2023.

6. When Sane Doe #1 called "dispatch" via her personal cell phone, not AT's management desk or Starbucks' phone; three police officers of Rapid City Police came, when I was still trying to calmly finish my coffee and try to leave. They said I was "detained" and asked my name, which I did not want to give. (I'm a U.S. citizen raised in the U.S. all my life and know that I have the right to remain silent, especially when ~~not~~ under arrest & not under arrest; that there is no such law as "detaining"

especially police treating me

mentally incapacitated as

Elementary through University!)
I also knew that "dispath"
of Security is not the same
as calling the police for
a crime. They "detained" me
for "trespassing" which is not
at all possible, as I was
a paying customer, and Jane
Doe #1 had accused me of
"yelling at her employees."
I only was able to recall
one of the officers' name
as "Elder" on his uniform.
I refer to the other two as
Rapid City Police Officer Sohn
Doe #3 and Rapid City Police
Officer Sohn Doe #4. They
assaulted me, after I refused to
put my hands behind my back,
calling it an "arrest" now, and
refusing to just let me leave —

well as my coffee cups. I offered to

show my ID, or at least, that I retained the right to my purse with my ID, as my purse, my belonging. They put me in back of their cruiser, after asking one another, "is this yours?" which was strange to me. They announced loud, publicly, to the whole block of AS, that I was "respassed" from there and never to return. (So I can't even gather names of my false accusers). Then, in the back of the cruiser, out of the public's sight, they brutally, violently, yanked my purse from my left hand as it was hand cuffed to my right hand behind my back - severely hurting me. I ended up with open, bleeding abrasions and bruising and pain. My purse has all my IDs, my Medicaid card, my Direct Express (Social Security Income) Secure Debit Card from which I withdraw my income securely and freely from Walmart, which they have now messed with, called in to keep me from my income to

said they "booked me" when they
put me in a jail cell. Sgt
Rosser told me I could stay

or sign papers to be released.
She made me sign a "new
charge" of "Disorderly Conduct."
She said I was presumed
innocent, but the "new charge"

I have to accept whatever judgment
to a circuit trial judge, and
the State is trailing me instead of

limited to \$400, and, humiliated, embarrassingly having to purchase hats and gloves through the cold weekend with only a sweater to survive, as they kept my coat and blankets in "evidence."

- All my purchases were tracked.
9. I'm unable, due to ongoing non-stop abuse and stalking and steering me towards associates with police, to explain how I've been tracked by Tess Franzen/Fransen of Freedom's Journey, Aleah Seckson, and Mr. and Mrs. Orr/Orr and a church of other women claiming to be victims of Tess Franzen and trying to get me interested in "nomad residency," paid-for "mail forwarding" (clearly a scam), that they had been trafficked to "Presidential Palaces" throughout the world. They further alienated and kept me from my WAAJ advocate and then all want me to tell all to Hope Center's Melanie Trimm, who is not qualified & has a conflict of interest, receiving donations while keeping me there for her source and place

IV. Statement of Claim, cont'd.

- for my luggage/belongings.
10. Sgt Rosser instructed me that "new" management or owners were now in charge of the "Mission" (Cornerstone mens on Main St.) and that they were expecting me for shelter. She had me introduced to Sgt. Reichert who said he had called and spoken with the Mission and that it was okay to present the slip they gave me - see attached slip, with, "Mission said they would help her." I asked for Sgt. Rosser to sign/put her name to it, and she or Sgt. Reichert added my last a misspelled first name. She wrote the address of "30 Main St."
11. When I arrived at the Mission, Augustine once again cruelly accused me and interrogated me as to whether I had an argument with someone in another shelter. He threatening wanted me to come inside to argue further, while denying that anyone talked to him and denying me shelter or food.

IV. Statement of Claim, cont'd.

12. No citation, no warrant, for arrest, for trespassing or for disorderly conduct was ever given me. Security is not police or a judge or D.A. or management. Police cannot arrest or any way detain or prevent from leaving someone without a citation to give the person (only reason to detain "or only as long as it takes to make out a citation for appearance to court - not a notebook pg to get names illegally) +/or summons. Drinking coffee for which I paid is not disorderly conduct, nor trespassing, nor yelling at employees.
13. Since the "New Charge "PR Bond" was not issued/ordered by a D.A. or magistrate or judge as a citation but as an extortionate, illegal waiving of a bond hearing and arraignment (which ^{should} never apply to something as trespassing, which dictates only a citation/summons to appear and answer) and presuming me guilty without allowing my pleading "not guilty" awaiting a judgment "without appeal" - just to be free from jail without conviction -

IV. Statement of Claim, cont'd.

I will not appear on the date "April 25," as I signed under duress, and do not understand a "new charge" or anything about this assault, mugging, and stealing my income and access to my belongings and papers presently and in the future.

14. I'm terrified as I've been assaulted and steered and trafficked while trying to regain my right to housing of my choice and somehow find my son and my inheritee, assuming my other kid has passed, and abusers are trying to take my belongings and keep me homeless and contactless by and to any next of kin, all of whom are missing due to the DV and corruption of SAH Coordinators and others handling/keeping my mail and making it impossible for me to move with a new mailing address, then and only then can I - if I move

IV. Statement of Claim, Cont'd.
 out of KS — Can I charge
 my ID to another State's
 ID. I need to stop being
 kept from safe housing
 with my Satt Program
 and my rightful HUD choice
 housing, which I've
 paid for since 2010 and
 never ever missed rent
 or was evicted. These
 wrongful arrests, convictions,
 etc. are being put on
 my criminal record so
 that no landlord will
 allow me — at the
 age of 55/56!

15. I'm terrified the State of South Dakota is incarcerating and indebting me \$2000+ for simply drinking coffee + paid for while homeless and abused by Federal law and local police authorities (Satt Program keeps my location from these kind of special, more difficult abusers, which my abusers are).
16. Again, I refer to Paragraph 17 for history of/explanation of my being shelterless in Rapid City SD.

IV pg. 17 of 24

IV. Statement of Claim, cont'd.

17. I have been made shelterless by slander and libel when police were called to Women's Cornerstone shelter months ago, when I discussed my purse turned up missing/stolen, at 4:30 a.m. Police were called allegedly because I was too disruptive, but I was retaliated against after police left because they did not arrest me, but offered to press charges or let me

ask them to investigate. They only took my name to "run in" in SD. The shelter, particular Amanda, made a point they were taking me from from my WAV advocate, whom I already was receiving advocacy to help straighten out my situation in KS residence & possible need to seek SD housing - which is confidential and private and none of the abusers' (secondary) business, not for any of others to contact or get from me w/o my consent, including Tess Fransen, Melanie Trimmer, Crisis Care / Safe Bed Saverney, On, Cornerstone, Police, (where All Women Are Honored) ~~that helped but did not~~ ~~divulge that was taken me to giving info to Seclera, who~~

~~are abusers~~

- which, at least Tess Fransen, along w/a McKenzie of WAVI, lied to and discussed me with WAVI and interfered with my access to and continued help from my advocate,

The false allegations and slander became libel when the persons sent their false reports to the Mission, via "Matt" while I was being sheltered there as their "women's overflow" for freezing temperatures, and also being fed breakfast and publicly - open dinners. Casey ~~on~~ took part in framing me with the Catholic Church, which I cannot explain, because of my PTSD, which I could and should receive accommodation via an advocate to help communicate (ADP and VAWA). After ending up on the streets (please again see paragraph 5 concerning being falsely imprisoned/~~kept~~ on streets in SD out of Kansas). (Through ongoing domestic violence in terms of stalking and "illegal abuse" for which reasons I'm enrolled in

 by these defendants that

 possibly transitional housing,
 wants me to go to Crisis

 study groups that turn
 out to be for addicts from

 shelters like the Mission,

Geneva Convention. If a person requests such help, then they must give written, informed consent. I do no such thing. I was recovering with my therapy, sabotaged by doctors and "hospitals" having police and others stalk me into my home which became a prison of torture and starvation, and which was to be confidential; as a citizen, not a criminal "witness protection participant" that police in KS and now, apparently, SD want to act as though they are part of, devastating me and my ability to connect with my son, whom I and many State officials feed their lives on the line for me to raise him safely in our Country of the U.S. My PTSD is not disruptive until I, like any human being has emotions from torture and isolation and forced labor and taking of necessary food, clothing, bedding for back and neck disabilities/injuries, privacy for life of worshipping God and eating and sleeping and even "yelling" or raising my voice without disturbing others.

IV. Statement of Claim, cont'd.

These people, especially Native Americans, all of the abusive, with the exception of the barrister John Doe # , being of this population have continually retaliated through sleep deprivation, punching, stalking, harassment, verbal assault/abuse, and trying to assemble with me as a fellow criminal; for my refusing to go to Crisis Care and have destroyed my reputation that is non-criminal all my life ~~as a still false convict~~ as wrongful, extortionate convictions (without true appeal rights outside of a "narrative," i.e. double jeopardy) to be illegally put on the NCIC for the "benefit" of federal abusers. Misdemeanors do not belong on the NCIC. Clearly this disorderly conduct "arrest" is made to go on my arrest and criminal records for the likes of my abusers and police and "Serents" people masquerading as "anti-fascists" of victims, while they are the abusers. They've messed with the receiving of my disability income with no way to receive

my mail from my Social Security, relatives, rental properties, every one. Many have intimated they want me to reapply for disability just to take away the determination made when I was put on SSDI in 2014 with documented PTSD along w/ fraudulent, deliberate misdiagnoses not of my treatment providers because they wanted payment (no hospitalization causes, not treats, PTSD) and because they were all foreign, Islamicist (of my abuser) forcing the desired diagnosis of my abuser and giving such illegally, against HIPAA, to my son, through police reports. I have contacted Medicare and the Social Security Administration and they have re-confirmed that I cannot be forced to receive treatment or evaluation without my consent. IV. Relief

R1. Forthwith injunction on all police against me.
 #R2. I demand that I be given a letter acknowledging my right to access Alex Johnson management as many times as it takes, and without any harassment or argument, to identify the Defendants # 11, 12, and 13, and their respective addresses, if not acting under management of Alex Johnson. If they were acting under management, then their names and the names and their persons presented to me, explaining to me what they were told by these Defendants, and to give me all such managers names and address to Alex Johnson, Starbucks, and/or Security as applicable. Defendants # 11-13, again, are Soné Doe # 1, Sohn Doe # ~~1~~ 1, and Sohn Doe 2.

#R3. I request that, while visiting / accessing Alex Johnson management, they identify Defendants # 4-6 via their security video-recording, "detaining" and arresting me so ~~that~~ can amend the complaint with their names and identify them with their City Attorney over their police department.

R5 R4. I demand that the Pennington County Attorney or District Attorney, as the case of the highest, elected Attorney may be, expunge all my records, charges, incarceration/jailing as an "inmate," etc. Status & records; "fingerprints," the whole incidents of all interactions with me in Rapid City, SD, ~~the~~ the call of the police to Cornerstone's women ~~meant~~ was not recorded, to my knowledge, but then they should have not "run" my name in SD. There sure, all records concerning that contact should be given to me, and I be given the right to request amending to the records with my statements explaining such. It was this contact that

^{to} RB I ask that the Pennington County Attorney, +/or the Attorney General of SD (South Dakota), in/after investigating this above "running" of my name through police databases wrongfully, as no charges were made (and Cornerstone took my name, ID, etc. confidentially, not to be investigated & my roommates and staff could be culpable) — help expunge + delete my records from the NCIC. I assume that Pennington County will have to, along with me, contact rather the KS Attorney General (AG) to explain my being kept from his and predecessor's access to report stalking and abuse from within and outside the AG's and Secretary of State's offices and help me send the KS court and police records for the KS AG's investigating and help in expunging from the NCIC and helping me back to KS with a protected address w/o discrimination.

 I demand the Corrections officers and police officers involved in taking my money and laundering it and trafficking me and somehow calling or manipulating my Soc. Sec. Disability Income Ret./Card immediately report exactly what they did and whom they contacted and what story they told them, in order to literally starve me (I'm faint writing this).

- I can't access \$51 left in my account / card; the Direct Express states I was charged \$0.85 on my taking out \$1000 of my income, leaving \$50.55 instead of \$50.15, and that it shows "insufficient funds" when I try to withdraw \$45 from Wal-Mart, who charges a \$0.00 fee per contract with Direct Express / Social Security, and Wal-Mart represents that a denial code "51" states "Alternative Tender

Required" the workers keep insinuating the card will be closed. (Threatening) I highly suspect an account I was made to give linked to my card (strongly moved to Jovine, TX) in 2021 may have been tampered.

10 R9. I demand that SD AG and/or the City and County Attorneys close all accounts the police and/or their cohorts have put in my name he closed and documented as such, with all banks and credit unions giving me documentation of such history and closing of each account and who opened each one, so we can have them properly prosecuted +/or disciplined.

10 R10 I demand that an immediate, forthwith order be given to the Hope Center day center that orders it to have no Native Americans, their "relatives," or "globalists" (who stalked me so far as to employ themselves at Perkins and demand where I was going) talk to or converse with me, or touch me, because of their physically assaulting me on April 20, 2023, and their continual harassment of me as the "white b - - - -" outside and on the streets and in (stalking) various establishments. I have nowhere else to store my luggage/belongings

V. Relief, cont'd.

while trying to recover my income, safety, and return to housing and living and freedom to basic mail, home, son, my inheritance, my belongings, etc. I brought a lot of luggage containing documents to help pursue shelter, restore my voucher wrongly "expired" in KS for police, "Chris Wong," to harass me about legal help and domestic violence advocacy to help me get through to the KS AG's office to restore my safety, confidentiality, and privacy, as well as to help me report the horrific stealing and kidnapping of my son and me in and affecting me/us in KS. I have no way, as "they've" put me in such a situation from hotels (Super 8 and Motel 6, run by those "relatives" are guilty) or to laundry except at Hope Center. I hope the County &/or City Attorney can help restore my ability to have at least one bath ever so often through my paying for a hotel room while

trying to become no longer homeless. I went to various hotels with an excellent, (ongoing) reputation, only for other "late guests" to come and disturb me with banging, music, and harassment causing me emotional distress and management asking me not to rent to me — I've been sent to only hotels managed by "relatives," now. I'm being trapped into SD and basically subjugated to the Hope Center and their commune that are not ~~even~~ at all in the same position of having a lifelong history of good rent and debtless and non-criminal, non-addict along with Inagme. They stay at the Mission and eat there, at their "Seedings," and sometimes at the Hope Center, while they've made me starving, and made to wait all day at the Hope Center for one bowl of food. I've chosen to starve outside than be subject to abuse. Thousands of dollars have been spent to counsel me to stay away from all children and especially authorities that are "red flags" abusers.

J. Relief, cont'd.

PR11. I ask that the Pennington County Attorney intervene with my (ex-)VAWA advocate to help with our initial plan to recover and Silo, etc., as stated in R5. I ask that the County Attorney explain that further grants from the County or the State of SD should not be demanded, as intimated to me, on April 9, 2023, because I'm not a resident. VAWA clearly applies, as I my past and present documented Salt Program cards clearly, through KS statutes find me as a DV/Stalking victim. Even if not in the state or "expired," does not delete or change my status as a victim that suffers ongoing stalking and abuse. They need to use the grant monies non-discriminately, and therefore not waste and cause more expensive intervention that would not have been had they been faithful to continue advocacy, rejecting outside interference or "reports."

IV. Relief, cont'd.

I ask that Pennington County Attorney investigate Ms. Doyle Horton of Pennington Housing Authority another Native American, representing and signing herself as a coseworker and signing a Sect. 8 Housing (Choice) Voucher for me, rather than having the Sect. 8 director sign it, although it is based on a fraudulent address and therefore I refuse to look for housing on it. I told Shari/~~Palm Springs~~ the Palms apartments to cease and desist. This relief is not part of any defendants/complaint matter herein, but is part of the defamation and abuse steering me to landlords wanting to act as investigators and not necessarily qualifying under HUD inspection. But it is definitely a crime(s) upon me, and possibly involving or deceiving Pennington Housing Authority's Executive Director Mr. Renbach. I can interview and write and show the documents and complaint to the County Attorney and HUD to investigate, later
